***Reissue Applications***

1. The person who signed the submission establishing ownership interest is not recognized as an officer of the assignee, and he/she has not been established as being authorized to act on behalf of the assignee.

***The consent of assignee and the 37 CFR 3.73(b) Statement is not signed by the same person. See MPEP § 324.***

2. It would be acceptable for a person, other than a recognized officer, to sign a submission establishing ownership interest, provided the record for the application includes a duly signed statement that the person is empowered to sign a submission establishing ownership interest and/or act on behalf of the assignee.

Accordingly, a new submission establishing ownership interest, which includes such a statement above, will be considered to be signed by an appropriate official of the assignee. A separately filed paper referencing the previously filed submission establishing ownership interest and containing a proper empowerment statement would also be acceptable.

The amendment filed November 1, 2001 proposes amendments to claims 1-3 that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. It is required that a copy of all the claims be submitted on a separate sheet of paper. A supplemental paper correctly amending the reissue application is required. Refer to 37 CFR 1.173 (b).
